

WAS Insurance launch on Scoot Airlines

Brisbane, Australia 10 July 2024 – [WAS Insurance](#) is thrilled to announce its Australian partnership with Scoot, the low-cost carrier of Singapore Airlines, to become the official travel insurance provider for Australian Scoot passengers. This strategic alliance marks a significant milestone for our growing startup, enhancing our reach and service capabilities within the travel insurance industry.

Scoot, renowned for its innovation and budget-friendly travel options, operates flights to over 30 destinations worldwide, including key routes across Asia, Australia, and Europe. This collaboration enables Scoot passengers departing from and returning to Australia to access tailored travel insurance solutions designed to meet their specific needs, ensuring a safe and secure travel experience.

"We are delighted to partner with Scoot, a forward-thinking and dynamic airline," said Glenn Broadhurst, of WAS Insurance. "This partnership allows us to offer comprehensive and affordable travel insurance options to a broader Australian audience, reinforcing our commitment to providing exceptional service and peace of mind to travellers."

This partnership will enhance the travel experience for Australian Scoot passengers by offering seamless insurance coverage, including medical emergencies, trip cancellations, and loss of luggage. Our integrated service aims to provide hassle-free protection, allowing Australian travellers to enjoy their journeys with confidence.

This partnership is part of a broader global insurance collaboration facilitated by AXA, ensuring top-tier coverage for Scoot passengers, with Battleface providing comprehensive assistance and servicing.
